

When there is a fire in my flat.

1. I leave the flat.
I close the door.
I move away from the smoke.
I move away from the fire!

2. I shout „Feuer“!
I warn others about the fire.

3. I go down the staircase.
I leave the building.
I remain outside at a safe distance. I shout again „Feuer“!

4. I alert the fire brigade.
I phone **number 112**.
I only hang up once
I have been told to do so.

5. I wait for help.
I follow the instructions of the fire brigade.

There is a fire in the building outside my flat.

1. I close the front door of my flat. I stay inside the flat.
I leave my door closed!

2. I alert the fire brigade.
I phone **number 112**.
I only hang up once
I have been told to do so.

3. I shout „Feuer“!
I warn others about the fire.

4. I open a window and shout „Feuer“!
I stay at the window.

5. I wait for help.
I follow the instructions of the fire brigade.
